EAST ANGLIA

St Mary and St Peter Catholic Primary School

ADMISSION POLICY 2022

St Mary and St Peter Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and articles of association of St John the Baptist Catholic Multi Academy Trust, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. We hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round¹. The governing body has set its admission number at 30 pupils.

¹ This is for admission to the school at the start of the school year in September and not for applications made in-year

the DIOCESE of EAST ANGLIA

The governing body will admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

Children with a Statement of Special Educational Needs or an Education, Health and Care Plan that names the school will be admitted.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Baptised Catholic looked after and previously looked after children (see notes 2,3&7)
2. Baptised Catholic children who have a brother or sister already attending the school at the time of admission (see notes 3,4&7)
3. Other Baptised Catholic children (see notes 3&7)
4. Other looked after and previously looked after children (see note 2)
5. Children who have a brother or sister already attending the school at the proposed time of admission (see note 4)
6. Children of staff who have been employed by the school for at least two years or are in a position where there is a demonstrable skills shortage
7. Members of an Eastern Christian Church (see note 5)
8. Other children
 - (i) Priority will be given within each category to children living closest to the school. Distances are measured on a straight line "crow fly" basis by the Local Authority, using Ordnance Survey data. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by the Local Authority.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round², you **must** complete a Common Application Form (*excluding admission to the nursery*) available from the local authority in which you live. You are also encouraged to complete the

Supplementary Information Form (SIF) attached to this policy, which is available from the school website or from the school office. The Supplementary Information Form and any requested documentation should be returned to Mrs S Coe, School Secretary, by 15th January 2022.

You will be advised of the outcome of your application on 16th April 2022 or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will be placed in the appropriate category based on the information available, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2022.

Late Applications

Late applications will be considered but will be given a lower priority than preferences received by the closing date.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to the Headteacher at the same time as the admission application is made. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher, including the

headteacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will be maintained for the whole of the school year.

Inclusion on the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Application should be made to the Local Authority who will contact the school about availability of places.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel. *Please refer to our [Admissions page](#) on our school website.*

Fair Access Protocol

The school takes regard of agreed Fair Access Protocols with the Local Authority regarding vulnerable and/or hard to place children, including practising Catholic families moving into the area (see note 8).

Nursery

Applications to the nursery must be made directly to the school by contacting Mrs P Bird. Attendance at the school's nursery does not automatically guarantee a place in reception class of the school. Applications to the school's reception must be made in the normal way, to the home local authority.

the DIOCESE *of* EAST ANGLIA

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child. The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

Previously looked after children also includes those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

See note 7 for a list of Churches in full communion with the See of Rome.

4. 'brother or sister' includes:
 - (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, who are living at the same address; and
 - (ii) the child of a parent's partner where that child lives for most of the week in the same family unit at the same address as the applicant.
5. 'Eastern Christian Church' includes Orthodox Churches, and is evidenced by a certificate of baptism or reception from the authorities of that Church.
6. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
7. Churches in Full Communion with the Roman Catholic Church are the:

8. Fair Access Protocol: The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in the locally agreed protocol. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).
