Through nurturing trust and strong relationships, our learning adventure will see each and every one of us thrive in God's love.

Charitable Work

Nyla and Bella in Year 5 have been working hard to raise money for charity by making and selling their own jewellery, which they are modelling below. The girls understand that the people in Ukraine have been going through a really tough time and that even a small contribution to charity could help. In their own words they wanted to 'step in and do their bit'. Well done Nyla and Bella, £45 was raised from you amazing efforts.

Grounds Improvements

We are absolutely thrilled to announce the completion of our pond project. The decking had become rotten and unsafe but we have been fortunate enough to have some skilled professionals come in and create a new platform for us so that children can enjoy the pond and wildlife area safely.

Gardening Club

Our gardeners have not been deterred by the hard ground of late and have continued to make improvements to the flower beds around the school site. We welcome any donations of plants and flowers to continue to enhance our school environment.

School Nursery

Our Nursery still has places available for morning and afternoon sessions. If you missed our open evening but would like to schedule a time to drop in, please contact the school office.

You can see some of our amazing early years facilities below:

School Vision

We believe that even with God's love we can sometimes experience challenges. Just like our patron saints, Mary and Peter, they experienced difficult times in their life that took strength and perseverance to overcome. At our school, we value this challenge and encourage children to experience it, knowing that together with our support and love, they will experience a successful outcome be it in an academic subject or through social experiences. We are all exploring our own talents and each day we

'Set Sail for Success'

Sunscreen and Sun hats

As we bask in unseasonably sunny weather, we would like to remind parents that children can be sent in with hats to help them keep cool when playing or working outside. We would recommend the use of sunscreen however we are unable to apply this to children in school so please ensure this is applied *before* your child comes to school.

Parking Incident

Unfortunately, this morning there was an incident on the road outside school at drop off time. Please can I remind all parents to drive slowly and carefully. Rude and offensive language will not be tolerated, especially in front of children.
