

# St Mary and St Peter's Catholic Primary School

## Curriculum overview in Y6 for Summer Term 2

### Religious education

This half term, our topic is Vocations and Commitment. We will be looking forward to high school and the different jobs that they might want to do. We will be thinking about skills and characteristics that are needed to be successful.

### English

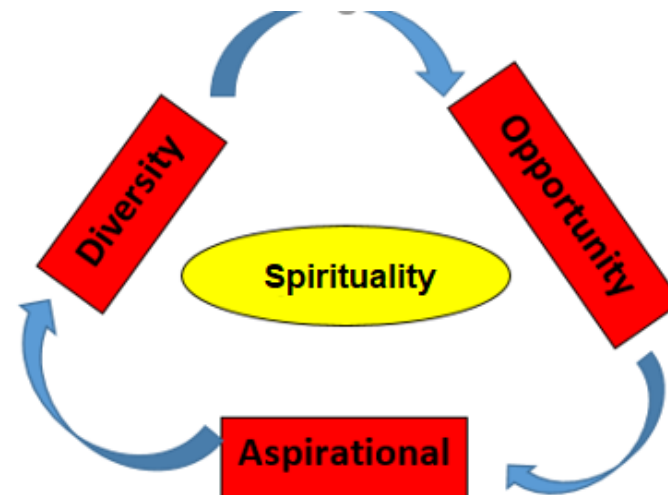

During our first unit of writing, we will be focusing on Macbeth by William Shakespeare. We will be looking at the Marcia Williams version, studying the language, characters and story. We will then be looking at Greek Myths to link to our Ancient Greeks unit.

### Topic- History

In History we're studying the Ancient Greeks. We will be looking at Greek Gods, different Greek myths and battles and looking at how Greek society was organised. We're also going to be studying the philosophers and the learning that the Greeks produced and the impact that this has had on modern society.

### PSHE

We are going to be studying our Sex Education unit this half term. As well as this, we will be looking at preparing for high school doing some work on independence and self-esteem.

### Topic- Science

Our topic for this half term is Living Things and their habitats. We will be classifying animals and plants. We will be looking at the differences between the animal classifications and life cycles.

### Computing

In computing, we will be learning about programming and coding using Scratch.

### Art

This half term we're going to be creating two different pieces of art work. We will be designing Ancient Greek pottery using patterns and shapes inspired by the Greeks. We will then be designing Ancient Greek theatre masks.

### PE

This half term, with Mrs Phair the children will be doing Athletics. They will also be going swimming on a Friday afternoon.

### Maths

We will be focusing on problem solving and deepening the children's Maths understanding before high school. We will also be doing some Maths projects which will test all the children's Maths knowledge to give them support with areas they're struggling with.

### French

In French, Year 6 will be looking at what foods they like, asking how much something costs, talk about activities at a party and give opinions about food and different activities.
