Through nurturing trust and strong relationships, our learning adventure will see each and every one of us thrive in God's love.

Important Update

Earlier this term I mentioned in the newsletter that there had been delays in our kitchen refurbishment that was due to take place over the summer holidays. The contractors met on site today and work is now due to commence. In preparation for the build we will be moving our serving plates into the hall and work on the electrics will be carried out on Thursday and Friday of this week.

As a result of this we need to make you aware of the following changes:

Friday Lunches

As the electric in the kitchen will be turned off on Friday, we will not be able to deliver hot food. Therefore, for this day we will be providing a school packed lunch to anyone who usually orders a school dinner. If you would prefer to supply your own packed lunch instead then you will need to cancel any order made for the 30th September on Aspens Select. This money will then be credited back to your account. If you are happy for the school to provide a packed lunch alternative, please log into your account and delete the hot food order and select from the ham or cheese options.

These will be delivered to the classrooms and all children will eat together. If you have any problems with ordering or cancelling food for this date, please contact the school office and they can help you. Hot food service will resume on Monday.

We apologise for this inconvenience but longer term we will have a first-rate kitchen in which we can produce our own meals on site.

Breakfast Club

Breakfast Club will run as normal throughout the refurbishment.

School Values

**Believe, Love,
Respect and Trust.**

With Christ at the centre of all we do we Believe and Trust in Him to help us to show Love and Respect to all.

Building Work

As part of the kitchen refurbishment we will have contractors on site. Harris fencing will be erected around the outside of the kitchen area and you will see that there are more vehicles on site. We will keep any disruption to a minimum and all path access will remain open. All workers are DBS checked.

If you have any questions or concerns, please contact the school office.

School Vision

We believe that even with God's love we can sometimes experience challenges. Just like our patron saints, Mary and Peter, they experienced difficult times in their life that took strength and perseverance to overcome. At our school, we value this challenge and encourage children to experience it, knowing that together with our support and love, they will experience a successful outcome be it in an academic subject or through social experiences. We are all exploring our own talents and each day we
