St Mary and St Peter Catholic Primary School

Geography Whole School Overview

	Autumn	Spring	Summer
EYFS			
Nursery	How are people in our community the same and different? How does the world change from summer to autumn?	How does our world change from winter to spring? Where are different places in our world?	How does our world change from spring to summer? Where are hot and cold places in our world?
Reception	Where do I live and go to school?	How are different vegetables grown around the world?	How are animals different around the world?
KS1 & KS2			
	Our Local Area	**Place Knowledge**	**Biomes**
			
Year 1	What do I know about where I live?	Is it always ice and snow in Antarctica?	Why are our oceans important?
Year 2	What can maps tell us about our local area?	How does the UK compare to Mexico?	What are the key features of tropical savanna biomes?
Year 3	How has Great Yarmouth changed over time?	How does Italy's past affect its present?	What is the difference between a mountain and a volcano?
Year 4	How do locations vary within Norfolk?	In 2024, the Scandinavian countries all ranked in the top 10 happiest countries in the world, why is this?	How has climate change affected the tundra biome and the living things within it?
Year 5	How does the Norfolk Coast suffer from coastal erosion?	How do natural disasters impact North America?	What are deserts like and how may this benefit humans?
Year 6	How does pollution and flooding impact rivers in Norfolk?	How are social and environmental issues impacting Brazil?	Should rainforests receive more protection for deforestation?
