To all Parents and Carers,

Procedures have now changed; Office will no longer be booking any clubs including PP or tax vouchers.

We would like to inform you that from now **all Afterschool Club bookings** must be made online using the Wise Pay platform.

We are offering a selection of clubs for all children for Spring Term 2. The cost is **£3.00** per session, and all bookings must be made for the full half term.

Afterschool clubs will run from **Monday 23rd of February to Thursday 26th of March** date

Places are allocated on a first come, first served basis.

When making a booking on Wise Pay, parents will be asked to select how they would like to pay. The available options are:

Pay by booking Tax Vouchers Pupil Premium

Please ensure that you select the correct club and payment method so your child can secure a place. We are unable to accommodate any children once clubs are full or if bookings are not completed correctly.

Pupil Premium children are entitled to three clubs free of charge. Any additional clubs booked beyond this allocation must be paid for.

If Tax **Vouchers** are selected, an invoice will be emailed to you, and there is no need to contact the school office.

The final deadline for booking all clubs is 23:59 on 10th of February 2026

Important notes:

- **After the deadline, we will not be able to book your child onto a club for that half term.**
- **If payment has not been made by the time clubs start, children will not be allowed to attend.**
- **The school office is unable to book clubs on behalf of parents.**
- **Please ensure bookings are made correctly to avoid future charges.**

If you require assistance with accessing your Wise Pay account or need a password reset, please contact the school office.

Deadline for booking all clubs is 23.59 on Wednesday 10th of February 2026.
