Father Alvan Visit – 23/1/26

Today, the Mini Vinnies and Year 1 students were delighted to welcome a very special visitor, Father Alvan. He spent time with the children sharing prayers and thoughtfully answering all of their wonderful questions.

The students were especially excited to learn that we are the *only* school Father Alvan visits, which made the experience feel even more special. They were also amazed to discover that it took him 13 years of training to become a priest!

It was a joyful and memorable visit, and the children loved the opportunity to learn more about our faith and Father Alvan's inspiring journey.
